Activity Details of the day

Information recorded: (this includes activities of the day and the adequate information to be written in a paragraph)

On 8th day of our internship all of us are motivated by the man himself who is working in the one of the great company TCS from 8 years onwards the main content which we are discussed on that session is all about beyond technical skill communication skill is also play very important role in the students life what we have learnt in this session is every one should be free mindly confident more often & should be in eye to eye contact while communicating with others.

Drawings, sketches, graphs & Data recorded:

Recording Techniques used: Audio/Visual-Photos, Videos, etc.,

DS 15/10/22

Summary:

It was the best experience through out of our internship because we have learnt the basic thing but and more important in our life, communication skills.
